PSYCHOLOGY TRANSFER PATHWAY A.A., 60 CREDITS

Psychology Curriculum 21-22 cr
 Additional General Education 22+ cr
 Health and Physical Education 2 cr
 Electives 0-15 cr

PURPOSE

The Psychology Transfer Pathway A.A. offers students a powerful option: the opportunity to complete an Associate of Arts degree with course credits that directly transfer to designated Psychology bachelor's degree programs at Minnesota State universities. The curriculum has been specifically designed so that students completing the pathway degree and transferring to one of the seven Minnesota State Universities* enter the university with junior-year status. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field.

The Psychology Pathway consists of the Required Pathway Curriculum, the Minnesota Transfer Curriculum (MnTC), and the Health and Physical Fitness Requirement, to bring your credit total to 60 credits.

**Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University, Mankato; Minnesota State University, Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.*

TRANSFER PATHWAYS

With this transfer pathway, you will be able to transfer to the following majors at:

- Bemidji State University
Psychology - BA, BS
- Metropolitan State University
Psychology - BA
- Minnesota State University, Moorhead
Psychology - BA
